Today in the Ausseerland

Mühlberg Mill

The "Müll am Fridrichspach" in Altaussee, mentioned as early as 1568, is a historical landmark. Driven by a large water wheel, grain and flour are milled here according to centuries-old tradition. Delicious "Mühlbergbrot" is baked in the historic wood-fired oven and can be tasted and purchased on site.

Foam milling and bread baking take place every Wednesday in the summer months or for groups and school classes by prior arrangement.

Ödensee

Lake Ödensee is a typical forest moorland lake, surrounded by dense forest and lush shoreline vegetation. A striking feature of this lake is its exclusively underground inflow. In summer, the Ödensee is a popular bathing lake for locals and visitors alike.
